ANTI-DISPLACEMENT FRAMEWORK FOR OAKDOT'S EAST OAKLAND MOBILITY ACTION PLAN

Current transportation projects in East Oakland

All East Oaklanders should have access to a local and regional transportation system that is safe, affordable and connects them to jobs, trainings, quality food and cultural centers.

TRANSFORMED CITY OF OAKLAND'S SLOW STREETS INTO SAFE STREETS FOR EAST OAKLAND

OAKLAND VOICES

OAKLAND RESIDENTS SKEPTICAL OF 'SLOW STREETS' PROJECT

"Oakland has a long history of decisions being made by the City that adversely affect communities. How information is shared with the community is problematic... 'Shelter in place' and 'Come and exercise in the streets' is a conflicting message."

- John Jones III
